Nusa Penida is located in Indonesia and this island paradise is a world away from the hassle and hectic pace of Bali itself.

This region regularly hosts Manta Rays and Ocean Sunfish all year however peak time is July - October. The reefs are healthy and colourful and in addition to Manta and Sunfish you can expect other pelagic action including: White tip reef sharks, Eagle rays and Blue-spotted stingrays . You'll also see Lionfish, Octopus, Moray eels, Scorpionfish, Soft corals, Clownfish, Butterflyfish, Barracuda, Trevally, Snapper, Sea turtles and Pufferfish. The Scuba Culture departure dates are designed to harness the best of the seasonality - Perfect for Manta and Ocean Sunfish but before the crowds of the season commence.
